COACH

Smartfootball Experience: December 15th to 21st

A large graphic on the left side of the slide. It shows two hands at the bottom, palms up, holding a large, abstract shape that resembles a brain. This shape is composed of numerous interlocking blue gears of various sizes. Some gears are also floating in the air around the main brain shape. The background is a light blue sky with soft white clouds. A thick blue diagonal line runs from the top right towards the bottom left, separating the graphic from the text area.

smartfootball is the first methodology in the world
based solely and exclusively on the brain

SF is a unique, different and innovate educational system, designed to
train smart and creative football coaches and players

JuanLuis Martínez García
